UFO Backfilling Bucket

Backfilling bucket from Ufo for backfilling material and efficient levelling. Available in straight and conical designs.

The bucket is ideal for use on construction sites, among other places. The long, deep bucket is excellent for backfilling and levelling,
or concrete work.

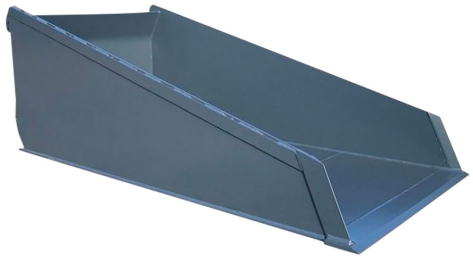

The backfilling bucket can also be ordered with a conical bucket shape.

A great combination is the backfilling bucket with a tilt coupler from Ufo.

Suitable for wheel loaders between 5 and 25 tonnes.

Characteristics

- Stable and robust construction.
- Long design for efficient, precise refilling.
- Available in both straight and tapered designs.
- Holds a lot of material.

Teknisk data

Item no.	Product name	Width (mm)	Depth (mm)	Weight, approx. (kg)	Recommended machine weight (tonnes)
36120250	Backfilling bucket	1200	2500	670	
36120250K	Backfilling bucket, conical	1200 / 800	2500	620
