Eslöv Loader Buckets 4500-7000L

Tough buckets for tough jobs, volume 4500-7000 litres. Wheel loader buckets from Eslöv are custom-made for really tough jobs.

The Eslöv buckets are adapted to each user's specific wishes and requirements, in combination with the machine manufacturer's recommendations.

The buckets are manufactured both as rock handling buckets and gravel buckets. They can be delivered for quick couplers but also for direct mounting.

The wheel loader buckets feature consistently high-quality materials and wear parts in the right places. They are proven designs that have received much praise over the years!

Wheel loaders between 10 and 60 tons.
