UFO Front Grading Bucket HD

Front grading bucket HD (Heavy Duty) from Ufo for heavier ground levelling work with wheel loaders.

The Front grading buckets are powerful and specifically designed for grading work.The low rear plate and the long bucket base give the operator excellent control over the surface and perfect visibility to the bucket tip.

The HD front grading bucket is adapted for really tough driving in demanding environments. The rear edge is fitted with angle bracket which is used when the machine is reversing for the best results in grading.

Wear plates in the bucket bottom are standard.

Suitable for wheel loaders between 5 and 30 tonnes.

Characteristics

- Robust construction in HD design. Primarily HX500TUF.
- Specially designed for groundwork.
- Low rear plate and long bucket base.
- Ribbons under the scoop's bottom.
- The rear edge is equipped with a bracket solution.
- Can also be supplied for direct mounting.

Teknisk data

Item no.	Product name	Volume SAE	Width (mm)	Base edge (mm)	Depth (mm)	Weight, approx. (kg)	Recommended machine weight (tonnes)
22270	Front grading bucket	2100	2700	270x30	1450	1250	
22280	Front grading bucket	2200	2800	270x30	1450	1300	
22290	Front grading bucket	2300	2900	270x30	1450	1350	
22300	Front grading bucket	2400	3000	300x40	1450	1450	
22310	Front grading bucket	2500	3100	300x40	1480	1500	
22320	Front grading bucket	2600	3200	300x40	1480	1575	
22330	Front grading bucket	2700	3300	300x40	1480	1650	
22340	Front grading bucket	4200	3400	300x40	1900	2250	
Above front planes with bottom HARDOX 450, 16 mm and standard front cut.							
22265BS	Front grading bucket	2100	2650	Base / Bolt-on edge	1500	1300	
22285BS	Front grading bucket	2300	2850	Base / Bolt-on edge	1500	1425	
22300BS	Front grading bucket	2425	3000	Base / Bolt-on edge	1500	1525	
22320BS	Front grading bucket	2600	3200	Base / Bolt-on edge	1575	1750	
22340BS	Front grading bucket	4325	3400	Base / Bolt-on edge	1950	2525	
The above front grading buckets are equipped with bottom HARDOX 450, 16 mm and base/bolt-on edge.
