FRONTEQ

Götene Sorting Buckets 480-1350 litres

Sorting buckets from Götene for efficient and quick sorting of materials.

A very popular top quality sorting bucket with a grid for sorting stones.

We adapt the bucket to the customer's needs and work type. Choose between grading or deep bucket model.

Comb profiles are available as an optional extra. S-mounts are standard. B20-B27 couplers are available as an optional extra.

Excavators between 7 and 25 tonnes.

Characteristics

- Well-dimensioned horizontal grid.
- Robust construction.
- S-mount is standard. B20-B27 mounts are available as options.
- Available as a grading bucket or a deep bucket.
- Comb profiles are available as an option.
